

# Three simple steps you MUST follow to place a web bid:

**Step 1** Select the property and click on the **"Apply Now"** button

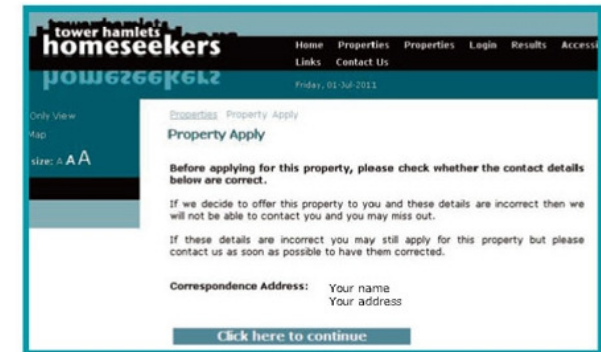

You can apply for this property. Please note your position for this property can change as other people add or remove their bids.

**Apply Now**

**Step 2** On the Property Apply screen the current contact address that we have on record for you is displayed (for your information). Press the **"click here to continue"** button

**Click here to continue**

**Step 3** To confirm your bid you must click the **"I wish to be considered for this property"** button

**I wish to be considered for this property**

**I do not want to be considered for this property**

If you have changed your mind and do NOT want to bid for the property then click the **"I do not want to be considered for this property"** button
